Membership in the Up the Creek Gang shall be based upon a sincere and demonstrable desire to further the ideals and traditions of the "Old West", i.e. The American West from 1865 thru 1899, and to promote the objectives of the Single Action Shooting Society (SASS). Up the Creek Gang members shall engage in rifle, pistol and shotgun SASS style practice and competition, using the firearms or replicas thereof which were available prior to 1900. Only low velocity, non-jacketed lead rounds are allowed to be fired on our range. Furthermore, while engaging in this sport, competitors are expected to "dress the part" and follow all rules listed in the SASS handbook found here: <https://www.sassnet.com/Shooters-Handbook-001A.php>. Members also will abide by the Club's By-Laws. New members must first undergo a safety orientation by a Range Officer before being provided range privileges and then must participate in club activities.
